A man who died after being stabbed about 11 times in City Heights Tuesday evening has been identified. The victim was Adrian Colon, 25, of San Diego. Officials said that Colon was stabbed around 9 p.m. at 3533 33rd St. He was pronounced dead at the scene.

The victim's residence at 3533 33rd St. is located at the corner of 33rd Street and National Avenue. According to witnesses, Colon lived with his family and was known to have a violent past.

Local reports indicate that Colon had a history of violence and had been involved in multiple incidents in the past. It is unclear if the stabbing was related to any of these incidents.

Police are investigating the incident and believe that Colon's family may be involved. The case is still under investigation. Anyone with information is urged to contact the San Diego Police Department.

The victim's family has been notified of the death. The San Diego County Medical Examiner's Office is handling the investigation.

No further details are available at this time.
