

Companion Volunteer Position Description

Time Requirements: 4 hours per week

Reports to: Director of Social Programs & Volunteers

Status: Unpaid

General Summary:

Companion Volunteers will provide in-home support to family care partners of individuals with Alzheimer's disease or a related dementia. Volunteers will provide companionship, socialization, and supervision for individuals with dementia, allowing their care partners to enjoy a break, go to appointments, or engage in other activities that contribute to reducing their stress level.

Responsibilities:

- Provide companionship to the client, including conversing, playing games, taking walks, and watching movies
- Work with the care partner and client to identify appropriate activities that will be enjoyable
- Stay alert to changes in the condition of the client
- Ensure the client's safety at all times
- Pay attention to and follow specific instructions as provided by the primary care partner, unless inappropriate
- Follow policies and procedures set forth by Alzheimer's San Diego
- Maintain professionalism and reliability, recognizing volunteers represent Alzheimer's San Diego to the community
- Have the ability to handle an emergency situation and know when to contact the proper authorities, such as 911 or Alzheimer's San Diego staff
- Submit weekly visit logs/reflections in order to document activities or changes in the physical or mental condition of the client or primary care partner
