

Have You Taken Care of a Loved One With Memory Loss?

Researchers at the UC San Francisco want to hear your story to help others in your community who care for their loved ones with memory loss. The goal of this study is to improve equity in hospice and end-of-life care.

We want to talk with people who:

- Cared for someone with memory loss who died
- Identify as Latino/a, African American or Black, Asian American or Pacific Islander, and/or multiracial

- Online Study
- Fits your schedule
- Pays up to \$160

What will happen in this study?

- You will answer questions online or by phone

You may be eligible to receive up to \$160

- \$10 for a 10-minute survey
- \$75 per 1- hour interview, up to two interviews
